Hello from the Border Rascals. Our group welcomes all adults. We are simply a Social Group. No restrictions on age, except being an adult. Our next planning meeting will be February 12th at 10am. Please come and join us with your thoughts and ideas. Even if maybe you would like meetings to be changed to evening meetings.

Our February potluck will be February 26th, doors opening at 5pm. We will be celebrating Valentines, with this being our theme for the potluck. At this time we will also continue to collect membership dues. We will also have our AGM meeting, as this did not happen in January, due to very low attendance. Hope to get this accomplished in February. We look forward to a large participation.

### **Christmas Hamper and Angel Tree**

Another Christmas season has come and gone and once again I just cannot find the words to say thank you to everyone that helped make this program a success. I sit down each year to work on this letter and I honestly am overwhelmed with all the support we receive. I am proud of our communities and what we can accomplish to make 28 Christmases a little brighter!!

My first thank you will be to everyone that donated or bought the packages at Riverside Market and/or took an angel off the tree. That is the heart and soul of these programs and each and every one of you that participated are the real reasons these programs are a success!!! Thank you from the bottom of my heart. Also, a huge thank you to the Village of Coutts for the fantastic donation of food items....small but mighty community!!!

Next I would like to send a huge thank you to Linda Cavanaugh who does such an amazing job organizing the food and getting the hampers ready to go. She truly has a heart of gold and without her the program would not be able to continue. Thank you also to Linda's helper Elaine McCoy and my helper Daria Snow this year...we so appreciate your generous help!

Huge thanks to the Town of Milk River – Kim and Trudi help with the Angel Tree and accept donations and without them none of this would be possible. Thank you also for the use of the Council room to organize – every program needs space and this one is perfect.

Thank you to Riverside Market for your generous support and to the wonderful employees at Coutts CBSA who donate breakfast items for every family!!

Thank you to everyone that helped deliver hampers – RCMP and Town of Milk River Public Works (Sean and Jett Butler). You all made a big job much easier by donating your time....so so so appreciated!!

A special thank you goes out to Tanya and Monti Smith for delivering to Coutts – you are truly amazing!!!

Finally, I just want to say one final thank you to anyone I may have missed. So many people donate extra toys, gift bags, and treats for each family. Please know that each and every one of you is so appreciated for what you do for our community!!!

## UPDATES FROM COUNCIL

### MESSAGE FROM THE MAYOR: Scott MacCumber

At our last council meeting, we decided that we would give monthly updates on our various committees, so that you can stay up to date with what's going on. Some months there's not much, but we will do our best to keep you informed. Here is what's happening with my committees:

**Milk River Health Professionals Attraction & Retention Committee** – The big news is that we have a second doctor, Dr. Huy Truong, who has signed on with Milk River. He is currently doing his Practice Ready Assessment, in Brooks, and that should be completed mid-February. Then the Alberta College of Physicians and Surgeons will complete his evaluation and if all is good, then he will start in Milk River shortly after that. And the other news is that Dr. Theresa Akewe, celebrates her 2-year anniversary in Milk River on January 31<sup>st</sup>. She works very hard to serve our community, and we are very fortunate to have her in Milk River.

**Mayors & Reeves** – Each month the Mayors and Reeves of Southwestern Alberta get together to discuss mutual interests. At our last meeting MLA Grant Hunter gave us an update on provincial issues such as going against Ottawa on the firearm buyback program, work on east-west pipelines, the increase in physicians in Alberta (averaging an increase of about 640 each year), and the plan to increase acute care beds by 1000.

**Milk River Watershed Council of Canada** – The council is advertising for a Watershed Outreach Assistant, and the application deadline is February 13, 2026. The position runs from May 11 to August 26. More information can be found on their Facebook page(Milk River Watershed) or by email Tim Romanow at [tim@mrwcc.ca](mailto:tim@mrwcc.ca). Youth Range Days is scheduled for July 14-16, 2026, and will be held at Writing-On-Stone Provincial Park. You can call the Council office at 403-647-3808 for more information. For more information on the council check out their website at <https://mrwcc.ca/>

**Recreation Board** – We will be meeting sometime in the spring to plan this year's activities. So, if you have any ideas, please let me know by emailing me at [smaccumber24@gmail.com](mailto:smaccumber24@gmail.com), or by calling the Village office.

That's it for this month.....thanks.....Scott
