Happy New Year. New beginnings for all. We had a wonderful bus trip on December 13th to the Japanese Gardens light show. And we were also able to take in the Christmas Train, that arrived in Lethbridge that evening. A beautiful evening for all, and the weather was very mild. Looking forward to whatever comes next. Our next planning meeting is on January 8th at 10am. We will be also taking down the Christmas decorations at this time. January 22nd is our next potluck at 5pm. This is also our annual AGM meeting. We will collect \$5 each for membership dues. Also after dinner we will have our elections. Hope to see as many as possible to make your wishes known. Also anyone who may want to join our card games from here on, may contact Steve Pain, or Mardell Peterson, or Lori Minor.

# Celebrate Family Literacy Day

## January 27, 2026

Family Literacy Day is a wonderful opportunity to strengthen connections and build lifelong learning habits together. This year's theme, **"Make Mealtime Family Learning Time,"** encourages families to turn everyday routines — like cooking, grocery shopping, and sharing meals — into fun and natural literacy-building experiences.

Mealtime offers countless chances to learn. Writing grocery lists helps children practice spelling and planning skills. Reading recipes introduces new vocabulary and math concepts through measurements and timing. Even simple dinner conversations can spark curiosity, improve communication, and develop critical thinking. These small, meaningful moments create a strong foundation for literacy while bringing families closer together. For example, try these conversation starters at dinner:

- What was the best part of your day and why?
- If you could invent a new food, what would it be?
- What's one thing you learned today that surprised you?
- How would you describe your favorite meal to someone who's never tasted it?
- If you could invite any character from a book to dinner, who would it be?

**Remember, literacy isn't just about reading — it's about engaging, sharing, and exploring ideas as a family.** Let's make January a month of learning, laughter, and connection — one meal at a time!
